

ST. THOMAS SCHOOL, LONI
EDUCATIONAL TRIP REPORT: PM
MUSEUM VISIT

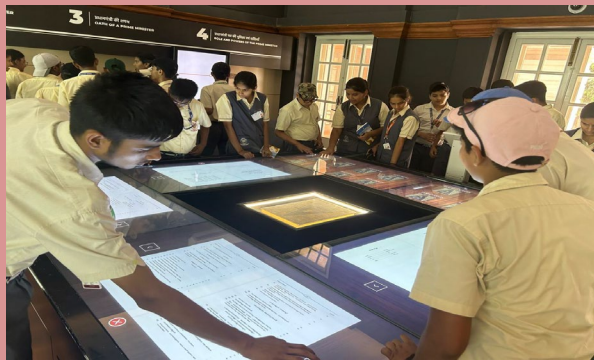

Date: April 30, 2024

Participants: Students of Class 8 and 9

On April 30, 2024, the St. Thomas School, Loni organized an educational trip to the PM Museum for the students of Class 8 and 9. The objective was to provide students an

opportunity to learn about the political history and governance of our country through interactive exhibits.

The educational excursion to the PM Museum proved immensely fruitful,

fulfilling its objectives with great success. Students not only deepened their understanding of our nation's political history and governance but

also enriched their classroom knowledge. The interactive exhibits, particularly the Bhavishya ki Jhalkiyan (Helicopter ride), effectively demonstrated nation-building schemes, keeping students engaged and participative throughout the visit.

The trip to the PM Museum served as a valuable supplement to the curriculum, providing students with a tangible and memorable learning experience. The Social Science

Department intends to organize similar trips in the future to enhance students' understanding of various subjects beyond the classroom.
