

**ST. THOMAS SCHOOL, LONI**  
**SPECIAL ASSEMBLY- CLASS PREP**  
**THEME: GLOBAL WARMING**

*“Global warming is not a prediction, it’s happening.” To exhibit this global issue, class Prep-C students conducted a special assembly on 9<sup>th</sup> August 2024. The programme began with the prayer song, followed by a beautiful poem on “Global warming”. Students showcased the root cause of global warming through a small skit, where the sun, the moon, heat and earth had a meeting to resolve the problem. Further, students presented an energetic dance performance with the message how we can take small steps to eradicate the issue of Global warming. The students were encouraged with an appreciation and motivational message by Ma’am Sakshi Asthana, Kindergarten Coordinator.*
