YOUTH PARLIAMENT

The Model Youth Parliament Programs (YPP) lay a bridge between youth, like-minded people working for society, and government by providing a common platform and foster for a healthy discussion on political reforms, parliamentary activities, policymaking, education, and employment

A mock session on Youth Parliament Programs was conducted on 31ST January' 2024 by classes IX and XI where students understood the parliamentary procedure, public issues and form their opinion on them.

It was appreciated by Ma'am Principal and the special guest. All the students participated in this activity. They found it very informative and interesting as they got to know about the importance of public speaking skills.
